“ *She was one amazing woman! Full of life and laughter and wisdom and so generous. Straight forward and tell you like it is. You always knew where you stood with Lee. She could be a tough cookie on the outside but a cream puff on the inside. Lee was my hero and I always wanted to be like her - she was the mom I wished I had and she kinda was for me. There are just not enough good words to describe Lee She will never know how much she will be missed.*

“ Lee loved to sing! I was honored to sing with her in Silvertones. She was a founding member of Joyful Sound. I will miss her but I rejoice she is now singing in Heaven's choir. Prayers for the family she left behind.

“ This Earth will not be quite as bright as Lee is now shining her light in Heaven. Our family will so miss her! I'll always remember her very loud Minnie Pearl, "howdy!" She kept our church in stitches. And then there was the Amazing Grace ladies' softball team - Lee played outfield for us. She would show up to the games in curlers, and if the ball was hit her way, she'd start pointing and yelling, "There it is! Go get it! Go get it!" She was truly one of a kind. I am so glad to have known her all these years. My prayers are for God's peace and comfort to surround Lee's family during this difficult time.

Lee was the mom I always wished I had. She was a wonderful woman. She saved my life and opened her home to me and my daughter. I cannot believe she is gone. I got back from vacation and called her cell number and immediately knew. I wish I could speak with Tim or Debra because I felt she was doing so well and was so happy at her new home. My heart is broken. I will miss her terribly.
