Some of my fondest memories of Valerie are of us discussing music and the size of Percy's family. Whenever Percy and I would call each other she was in the background yelling "Percy let me talk to my sister in law - let me talk to Niocy" and they would bicker about who gets to talk to me. 😊 We talked about music and the singers we both liked and during our talks she would always ask me to bake for her and Percy. I certainly will remember her soft greetings "Hey Niocy, how you doing?" May She Rest In Peace.
