“ *I had the pleasure to work with Valerie at Planet Fitness when the gym first opened. We were often the "morning crew." She was delightful to work with, and we shared many laughs. Valerie loved life, her family and always wore a smile that would cheer even the grumpiest of members (and staff) at PF. I will forever be thankful for her encouragement as I contemplated a career change to become a teacher. As I enter my 13th year in education, I reflect that this was one of the best decisions I ever made. Valerie was such a kind soul and brightened the day of those around her. She blessed my life and will be missed.*

“ Still remember how when Jack and Ted and I all first started playing hockey together, how Valerie would come to some games and even go out with us after games. She was always the first person to greet me at any gatherings. She always commented on every photo I think I ever posted of my girls. She will be missed. -Jason Bennitt

“ We used to meet often for coffee, lunch and chat. We could (and did) talk endlessly about our families, cats, gardens, and life. We gave her on orchid that she loved and hung in her kitchen, and outside during the summer.

We were so looking forward to the pandemic crisis being over and being able to meet for our chats again. Now it will have to wait until we meet again in heaven.
