“ I worked closely with Venee over the past five years and was privileged to have gotten to see her the last time I was in the office. Honestly it was always a privilege to get to be in her presence. Her warmth exuded in her never-ending smile, and when everything going on was super stressful, Venee's 'chill' always seemed to put things into perspective. I already miss her....my heartfelt condolences to her family as they navigate this difficult time.

“ *Venee was grace and kindness, her gentle spirit and the quiet calm she brought into every room were truly special. Venee had a way of making those around her feel seen, heard, and cared for, a gift that not everyone possesses. Her positivity was both inspiring and comforting, and her absence will be deeply felt by all who knew her. My prayers and condolences to her family.*
