“ Copied from my facebook post:

I don't have to tell you how much I dearly loved your mother. She was my Sunday School teacher when I was eight years old and her influence led me to accept Christ as that very young age. Some say at that age we don't know what we are doing, but through her teachings and love I was ready. She gave me one of my most cherished material possessions. The miniature cup and saucer on a stand with a cup holder still holds a special place in my home. Sadly when I went to visit her last year on her birthday, she didn't remember me or the gift I showed her. However, I even though her mind didn't remember me, her heart did and as I sit here weeping, I know her mind has been restored in her new body Christ had waiting for her. Every time I hear the song, THANK YOU (FOR GIVING TO THE LORD) I think of her. Here are the Lyrics:

Thank You

Words and Music by Ray Boltz

*I dreamed I went to heaven
And you were there with me
We walked upon the streets of gold
Beside the crystal sea
We heard the angels singing
Then someone called your name
You turned and saw this young man
And he was smiling as he came*

*And he said, Friend
You may not know me now
And then he said, But wait
You used to teach my Sunday School
When I was only eight
And every week you would say a prayer
Before the class would start
And one day when you said that prayer
I asked Jesus in my heart*

CHORUS:

*Thank you for giving to the Lord
I am a life that was changed
Thank you for giving to the Lord
I am so glad you gave*

“ I have love Vera Mae since the first time I met her. I was going to Sugar Hill High School some more classmates and I went out to the store on Broad Street. Vera Mae was so kind and sweet to us talking with us and giving us her years of wisdom. I later met her at First Baptist Church Sugar Hill when I married my husband Ryman Pendley. To know Vera Mae you couldn't help but to admire and love you. She just touch your life with that smile of love . A wonderful Godly Lady.
