“ *I miss you so much my love, you have always and will remain my true best friend. We have so many memories and have kept so many secrets over the years. You always said you would marry me one day...and make me Mrs. Lola Webb!! I can still hear kids at Park view calling me Lola Webb...even though I always knew the truth from day one! You trusted in me enough to tell me what no one else would know for a few years and I never told a soul until you were ready and I secretly never gave up on being Lola Webb either!! I love you and miss you every minute and can't wait to meet with you again my dear friend...until then I cherish AND replay the days we spend together growing up. RIP..Rocky!*
