“ Chuck, I am so very sorry to hear of Vickie's passing. I know your heart is broken and filled with grief. Daniel has told us how much you love her and what she means to you, and has meant to him. It was a beautiful service. I am grateful they streamed it as I could not be there in person. Shane and the other pastor conveyed her love for you and the family, and yours for her, so very well. Having lost both of my parents I can appreciate the waves of grief you're going through. But, I always remember God's promise that His children will be together in eternity, forever. There will be no sorrow there, no pain, no suffering, just an eternity with each other and a glorious God. Christa and my prayers have been, and will be, with you and your family.

God bless you.

“ Dear Chuck and all your family, My heart breaks for all of you. It's a shock to know Vickie has passed. I'm just so glad that you and Vickie came to some of our Buford Gang Dinners so we could reconnect after high school that was 40 years ago. It was great catching up, sharing memories, laughing and just having fun. My memories of Vickie are all very fond. She was always a positive person, a happy person, a loving person, a genuine person, fun, and never judgmental. Vickie was just Vickie, not a follower, just a really nice person. Her love for you, Chuck, and all your family was like a solid beam of light. Your love story was one of a kind, envied by most....45 years....that's incredible. I loved her parents, Billy and Louise. Always so welcoming to us kids when we went to their house. Billy was our softball coach when we were kids. He was a good coach. If I remember correctly, our team did well.

Tomorrow is going to be extremely difficult. I wish I could be there, but work prevents it. Please know you and all your family are in my thoughts and prayers. And I pray that God will be with you and give you peace in the days, weeks, months and years to come. God has gained another angel in His Court. An angel that will be watching over you and your family until you can be with her in Heaven.

Chuck, when you feel like you can, please join the Buford Gang for dinner so we can love on you and support you.

God Bless You All and Much Love;

“ Vickie has always been a sweet, caring girl. She and Donna were friends growing up and spent many hours together in the neighborhood. She always had a smile on her face and always had many friends. My deepest sympathy for all of the family. Prayers for comfort and strength as you go through this sad time. Love to all , Jan
