Mom, another year has come and went. It will never feel right, we should've had you longer. I wish I had a do over, things would be different. I love you and cherish the memories we had.

“ Mom, I can't express how much we miss you. Our lives are not the same without you. You would be so proud of the grandkids and the great grandkids. The great grandkids still speak of you often and that warms my heart. I miss your voice and our phone calls. I will forever be grateful for having you as my mom and the years I had you. I love you!
