“ I just heard of Vic's unfortunate passing. I want to extend my deepest condolences to his family and friends. I used to work with Vic and he was just the most wonderful individual. Always so helpful and sweet and he loved the lord. I want to thank you Vic for everything you have done for me from being a shoulder to lean on when I was feeling down, to just someone who understood the importance of family and never asked twice when I had to take care of issues happening in my life. I have thought of you often since the pandemic hit. I know you are no longer here on this earth but you have made a lasting impression in my heart. Monica, I am so sorry for your loss. I know you have never met me but I can sincerely tell you. Vic loved you! He talked so well about you and he loved your "Wing dates". again, my deepest condolences.

“ Vic you have always been a fun person. We have enjoyed being your and Monica's side by side drive in church partners. We always loved hearing the joy you have working in the garden and all those tomatoes you grew. Monica words can't come to tell you how sorry we are and how we pray for God to cover you with his blood. We love you Monica. We'll miss you Vic.

“ Our heart breaks at this news. But, I know that we will meet again. You have always been a joy in our lives. we will always remember the fun ,we had at" PrimeTimers". You rolling Henrietta around in a shopping cart. Wearing a great big smile. And how we cried together at the loss of our dear furry friends .Because we both understood the pain, we felt. Your memory will be cherished. You were Special, Vic.
