“ Dearest Vilma,

*I am just so shocked and saddened to hear of your passing. It has been a week now since I learned this news and it still doesn't seem real. We shared so many memories; laughs, tears, all the things. As life goes, we lost touch at times, living in different phases of life - but, when we talked it was like not a day had passed. I wanted to share these photos of our summer trip to NYC (2003). That was one of my fondest memories. You put me on my first NYC subway. Remember how scared I was changing cars while the train was moving !? These were taken with a real camera - before digital! That's how old these are. What a ride that trip was! I hope your friends and family enjoy these. Vilma, you were fearless and full of life. Love you Chickie - I will miss you every day. Until we see each other again....*
