

Virginia "Ginny" Louise Milone

May 20, 1948 - September 4, 2024

Virginia "Ginny" Louise Milone, 76, passed away peacefully on September 4, 2024, at home following a brief illness. She was predeceased by her husband, Louis Milone. Born in Queens, NY in 1948, Ginny was the daughter of the late John and Virginia Heckel. In her early adult years, she moved to New Jersey where she raised her family. She later relocated to Florida and then finally settled in Hoschton, Georgia. Ginny was the loving mother of Francis J. Piccione III and his wife Kimberly of New Hampshire and Mark T. Piccione and his wife Jenny of Florida; beloved grandmother of Olivia, Thomas, Kaylin, and Lian; sister of John Heckel of Florida, Susan Riccio of Arizona, and Nancy Keegan of Georgia; and devoted companion of John Underwood of Georgia. She is also survived by her many nieces, nephews, and close friends. Along with her kind nature, many will remember Ginny for her enjoyment for cooking, traveling, and dancing. Furthermore, she was an active participant in the Deaton Creek community and

took pleasure in gathering with her close friends; but her greatest pride and joy came from spending time with her family, especially her adored grandchildren. Always thoughtful, outgoing, caring, and loving, Ginny held a special place in all of our hearts. She will be greatly missed by everyone who knew her. A memorial service will be conducted at a later date for family and friends.

“ *In memory of Virginia Louise Milone*

We were deeply saddened to hear that Ginny had passed away. We could never be thankful enough for her kindness, that she had shown towards our daughter Jenny. She took her in to her family as if she was her own. When we met her, she welcomed us with open arms, she was the perfect host, loving, caring and always smiling. Ginny had a presence to her that you where drawn to.

The loss for her sons Frank and our son in law Mark and their families is greater than words can describe.

We are thankful for having known her and we will cherish the memory of Ginnys life

Our deepest sympathy to Frank and Mark, to all of Ginnys family and friends, may she rest in peace. and the memory of her life live on.

*May God bless you all.

“ My husband and I introduced her to her companion, John Underwood. They enjoyed each other’s company for 3 years and you could always see them dancing the night away at the VDC dances. John and all of VDC will miss her immensely.

“ Larry and I first met Ginny and Lou when they moved here from Florida. She was a sweet soul and loved talking about her children and grandchildren. We have many fond memories of times spent together in and outside of Deaton Creek. May she rest in peace.

*I wish we had been able to spend more time with Ginny, but we never know do we? I do remember through the years Ginny had very big losses and many joys with her children and now her wonderful friend, John. But through it all she was strong and persevered, I truly admired this sweet and wonderful lady! She will be missed by all who loved her! Sending our love and deepest sympathies to her family and John.
