“ *Worked with Virginia for 10 years at Buford and would see her from time to time at Joan Glancy. She was a amazing nurse, a great person that always had a smile. I went to school with Cathy and Donna and just want you to know how sorry I am for your loss. Sending prayers for all the Morgan family and friends.*

“ My heart goes out to all Virginia's family. I met her almost ten years ago while working with her daughter Cathy. Sweet woman that reminded me of my mom! Learned of her great love of Costco apple pies and sharing it with her Rummy card group. Loved surprising her with pop-ins. This year was hit or miss as to if she remembered me, but after Cathy & I made her a memory frame while in HHI, I was forever then remembered as Pam from her wall. She did make me smile and she will sorely be missed.
