“ *Forever in my heart. You are the greatest mommy in the world. I know I loved you as soon as I saw your beautiful face. You taught me to love and care and expect nothing in return. I will continue to strive to carry on your caring loving nature. I would be happy if I could be half the woman you were. Words cannot express how much you are loved and missed. The love you gave overflowed every where you went. Nobody could even come close to the love, care, and just plain happiness you brought.*

*Love is like a butterfly; it goes where it pleases, and pleases wherever it goes.*

*Love Always,  
Your Little Girl*
