“ *Vivian was friend of mine. Although locations and time separated us, whenever we saw each other, it was as if it was only yesterday that we last greeted each other. The many years of our young adult years(20s) of fooling around and just hanging out with each other will be priceless memories. A true friendship that has stood the test of time. Your mom and dad loved me as part of the family.. Rest on my friend. May God comfort you all. She has transitioned. She will not be forgotten.*
