“ Jobs were scarce in Commerce, Ga. during the second world war, so Vivian Cowart drove with her parents to Atlanta to find a job and start a new life.

Upon arrival on the same day, she found a job at Sears and a room at the boarding house for women on Ponce de Leon Pl. She spent summer days playing tennis and swimming at Piedmont Pk. with friends.

She Met her husband Floyd at the Penn Ave. Roller skating rink . He was home on leave from the Navy and impressed her with his skating skills and good looks. They would walk over to Krispy Kreme after a skating date, and he would walk her home after coffee and doughnuts. She waited for his discharge from the Navy and they married on March 17th, 1947 in Paulding co. Married by a cousin who was a justice of the peace.

After having five children, she went to work at the Baptist Book store and shortly after obtained a job at the Ivan Allen Co. where she remained for 31 years. She Retired to Brookhaven and later moved to Dacula, Ga. Our beloved Mother will be missed by her 5 children and large extended family and friends.

“ I am so very sorry for your loss. The hope that the Bible gives for ones that we have lost can be a true comfort. God's Son, Jesus Christ, likened death to a deep sleep. All those who have fallen asleep in death will be woken up in a beautiful resurrection in the very near future. You will be able to hold your precious one and you will never have to fear letting her go again. This is a promise from God! (John 5:28, 29; 11:11, 14; Job 33:25) Jw.org

“ Our thoughts and prayers are with you during this time. She always had a smile when we saw her and she was a beautiful person. I know you will all miss her. But take comfort in knowing that she is now Home with our Lord and Savior in her special place.

“ Leita,
We all grew up together in Techwood. She was one the "Moms" that just aren't any more like them. I know you have tons of good memories, I do. That got me through my grief. Just know I am thinking of you.
