“ So sorry to hear of Wade's passing. He was a dear friend and I loved how he posted the weather reports almost daily on Facebook. Wade and I were classmates at Paducah High School. I think the last time we saw each other was about 20 years ago in front of the Hall-Scruggs department store on the square. Condolences to his family and friends.

“ Wade was the best brother that ever was. I will miss him terribly, but I wouldn't wish him back into this world of pain and sorrow. I will just have to be satisfied with knowing that I will see him again in my next life.

“ Dear June and children,
Please know that all of us old Paducah boys who have been praying so fervently for our lifelong friend are now praying for peace and comfort for you. Although we will miss his daily weather reports on Facebook, we thank God that Wade is free from the pain that accompanied the treatment for his cancer. Where he is now there's lots of "Heavenly Sunshine" and "Showers of Blessing!" Wade's cheerful disposition will be sorely missed, but I am consoled by the promise that, thank the Lord!, I will see Him again "When We All Get to Heaven!" You are loved, even as Wade was loved! “ I'm so sorry to hear of Wade's death. I'm from his home town of Paducah, Tx where he and one of my younger brothers were friends so I watched him as he grew up. I did get to visit with him at school reunions which was a pleasure as he was such a sweet man. So I extend my sympathy to you all and you will be in my prayers for comfort at this time.
