“ *I was in the same High School class with Walt, and lived just across the street from him and his family. I can still remember how fast Walt could run down the basketball court and score points leaving other players behind. I know Sugar Hill will miss him.*

“ Runette, Lori, Wayne and families,
I am so sorry for your loss. I really enjoyed my long distance phone calls with him.
Many years ago, Walt and a friend rode their motorcycles from GA to CO. They surprized me with a stop at my house. But I only had a couple of hours to spend with him because I was heading to airport to go to Washington DC for FBI graduation. I showed him the house and our shop, and then we went to lunch. After lunch they headed out on the road toward GA. I wish I could have spent more time with him. But they were having a great time.
Walt, enjoy your bike rides on the clouds. I will miss you....
