“ *I am so shocked and devastated to hear of Walters death he was my first cousin and long time friend none of us Nix's knew anything about his death until today and we ran across it in the obits. We would have been there for the family had we known. Life is too short not to know of someone so close to our hearts passing. I pray for comfort and peace for the family. May God be with you all and just know we love all of you. Janice, Kelly & Michael Nix.*

“ Susie, I'm so sorry to hear about Walter. Everyone at Micro thought the world of him. This is such a shock to everyone. I know it is devastating to you...you were Walter's world. You are all he talked about for years before y'all were married. He worshiped the ground you walked on. He was a one of a kind. I know how much you loved him too. I pray that God will give you some peace during this time. My thoughts and Prayers are with you!
