“ *We talked each week, discussing children, families and friends. It was a joke with he and Tom to discuss happenings in Chambers County, our hometown. I will miss these calls. He enjoyed his breakfast friends at Hardee's and his wonderful neighbor Gene and his wife. To Katie, Chris and Paula, just know he loved each of you and was always thrilled to hear from you. He just had a difficult time showing you. Our loss is God's gain. Perhaps God needed a gardener and Jack always had the best. May he RIP. Love ??, your sister , Sandra*

“ *Jack was a real brother-in-law and I always enjoyed being around him. He was always a hard worker and cared for his family and friends to the max. I will miss all of his updates from Chambers County as to what was going on with the people I had grown up with.*
He left us way to early, so to my friend and brother-in-law, may you Rest In Peace in God's garden with the Angles.
