“ This family is very special to me and my entire family. “Cousins” is what we always said. We are all kin to the Pucketts so we said and it was true. LOL. Buford Church of God linked a lot of folks in Buford during the ‘60s, ‘70s and on til now. We shared in VBS and Children’s church during worship of Jesus. We played hard and always loved. I remember watching as Donna Jean walked the aisle at church to her healing of her legs after she had that bad wreck. And so many other great things that God did for us all. God is so good! He has blessed so many of us when we weren’t worth blessing. One of my biggest blessings was knowing Donna and Walter Puckett and their family. We will miss those smiles because they were always big ones! Sending prayers and Love to you all! Cyndee and William Richey
