“ I met Wayne while he was a patient of ours. I hold a very special place in my heart for him and Melanie. I am going to miss hearing his stories and having him fill me in on all the exciting news about those grandbabies. He sure did love his family. I am sending prayers for the entire family during this time of loss. Just know that I am grieving with you but rejoice in knowing that he is happy with his love once again.

“ Wayne was a good man. His love for Melanie was remarkable. He'll be missed, but I find peace knowing that he'll be with her again.

"Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid."

“ *My deepest sympathy to Wayne's loved ones for your loss. I pray the Good Lord will comfort you all in this trying time with His love as no one else can. You will continue to be in my thoughts and prayers. Wayne was my dear friend/buddy, and I will miss him. I will forever cherish our friendship, especially Wayne's wonderful sense of humor, his impishness and the many times we laughed together. I will always think of him with fond memory.*
