“ I'm so very sorry to hear of Wayne's passing. We went to school together and I remember him as being a nice and friendly boy. I'm sure he grew into a fine man. My thoughts and prayers are with his family in the days, weeks, and months ahead.

“ Virginia and family,
I was so saddened to hear of Wayne's death. He and I were in school together. My first thought of him was when we were in first grade. We were standing in line to pay for our lunch and he showed me the eye on the dollar bill. I had never seen that before! I can't remember what I did yesterday, but I do remember that. He was such a sweet boy and I am sure he was a wonderful man. Please know that I am praying for comfort and peace for all of you during these next few weeks.

“ Uncle Wayne you will be greatly missed. You was a man full of love for others. You always put others before yourself . So many lives have been touched by you in so many different ways. A man of his word and a love for the Lord and his family. He was the most hard working man I knew ..he was my " Superman " and I'm sure others felt the same way. You where the rock of the family but we know we can turn to Christ to help with the days to come. We know where you are at with the Lord Jesus Christ and in that we can have peace in our hearts..
