“ I know this is a difficult time for you, please accept my sincere condolences. "Blessed be the God and the Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort." (2 Corinthians 1:3) Also, Draw close to God in prayer and "he himself will sustain you." - Psalm 55:22

During this time of loss, you may have asked yourself many questions, such as, why do we die? What happens to us when we die? Will we ever see our loved ones again? Did you know the Bible can answer these questions for you?

The Bible makes it clear that God did not originally intend for us to die. Because of the sin Adam and Eve committed, we have inherited their punishment of death also. (Read Romans 5:12; Job 14:4) However, we also gain the prospect of living forever here on earth because of the sacrifice of the blood of Jesus Christ. Jesus said, "He that exercises faith in me, even though he dies, will come to life." (John 11:25) Because of this sacrifice, our loved ones will be resurrected in God's new Kingdom here on earth. Isn't that wonderful! ... you will have an opportunity to see your loved ones again! You can be confident in the resurrection. "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment." (John 5:28, 29)

I look forward to the day when all of us will see our dear loved ones again!

I understand you are still grieving, when you are feeling stronger and would like someone to visit you to explain more about this wonderful prospect of hope for our dead loved ones, please contact me at the email address below.

*Again, my condolences,

“ I am so sorry for your loss. I grew up with Lynn on Tilley Mill Road , we have been friends for years. I live in the City of Doraville and would see him all the time working around our city. I've missed seeing him around after his retirement. Lynn was a good hearted man that was generous to a fault. May Lynn rest in peace.
