“ i worked with Waynette at Fiserv for several years. She was such a pleasant person. We touch base thru text messages after she retired from Fiserv. I'm truly heartbroken to learn she's transitioned after not getting any response back from several text messages in the last several months. My sincere condolences to her family!
Peace and Blessings

“ I was just thinking about Waynette and found out she transitioned. I am heartbroken. We developed a r.ship when I worked at Discovery Village and would text from time to time. She was so sweet & encouraging. I am at a loss for words. Sending my deepest condolences to the family & friends.
