“ *Wendell was a great friend and a pleasure to work with for almost 15 years. Being the general manager of Arrington Blount Ford I worked side by side with him. Wendell was always concerned about the reputation of the dealership and our employees. On more than one occasion Wendell proved to be a real friend. We were very close and I will miss him dearly.*

“ *Mr. Wendell Blount was not only my Employer for almost 15 years, he was my Friend, and a very close Confidant. He was a man of great wealth, but always willing to lend a listening ear and to give advice, advice that was not always easy to accept, and even more difficult to implement, but always sound. He helped me through some very dark times in my life while employed at Arrington & Blount Ford, and for that and for Him, I will always be thankful for the opportunity to have met him and called Him my Friend.*
