“ *I had the privilege of working with Wiley at Takeuchi for many years. I came to Takeuchi and Atlanta after having been born and brought up in New York and then going to college in Boston. Wiley was a great introduction to the South. How could I not love it?
Wiley was friendly with a big and warm smile. He was funny, sincere and very smart. I always felt that if I needed to ask a favor of Wiley, he would be there.
Wiley enriched my life and I will miss him.*
