“ *I send heartfelt sympathy to the family of Willa. I had the privilege of meeting her son's sport activity at Ribault High School Jacksonville Florida. I found her to be a remarkable woman whom I looked up to. She was smart vivacious extremely stylish and always willing to help in any way she could. I also remember her moderating social events with fashion shows cause she was truly a woman of style. May the memories of your love one forever be with you. God bless you 🙏 all.
