“ *Dear Family of Bill Drake...*

*Wayne and I are so very sorry for the loss of your dad. We have known Bill and Vickie for several years and became good friends. It was such a shock about Vickie and now Bill. We will miss Bill's wit and his vegetables he brought us and we loved Vickie's homemade Zucchini Bread she made and shared with us. We will especially miss eating breakfast with them each morning and sharing stories of the grandkids, Destin and Cherokee. Our prayers are with you all and always remember how much Bill loved you all....he was always so very proud of you all. We only heard today, as the message showed up after we crossed over from Canada to the US. We would have been there today if we could have been. Please let us know if we can help you in any way.*

“ *To the family,*

*We are shocked and so sorry for the loss of your Dad. Hard to believe that Vicki passed just 3 weeks ago and now Bill is gone too. We all grew up together and did so many fun and sometimes crazy things... so many wonderful memories and stories. We will miss him. Our deepest sympathy to all of you. Love, Phil & Gail Ludwig*
