“ *Edsel was one of the kindest, most caring and genuine people I've ever had the honor of knowing. He was my boss at Bruster's, and I've considered him a very good friend ever since. He always treated his employees just like other his other fellow human beings, like equals. He always would listen to what you had to say and brought an active positive energy and outlook to any situation. He was a brilliant and good man, a perfect role model. I look up to him with the utmost respect and can comfortably say he's impacted who I am and how I behave; I'm a much better person having known him. I miss him dearly and will forever cherish his memory and spirit. My heart goes out to Toni, Mitchell, and Jacob.*

“ *I am saddened to hear of Edsel's passing. I always appreciated how helpful he was at the gym and always with a smile. I was also amazed at how flexible he was in doing yoga poses. I hope you are comforted at this time knowing how loved you are by all the people around you who care about you, Jake and Mitch. Many prayers and thoughts are with you during this difficult time.*

“ I met Edsel at the school where our children attended and through Cub Scouts and I have to say that truthfully, I still remember the first time I shook his hand! Somehow he is "one" person that I always remembered from Cub Scouts and School, and you could just tell how he "Love People, his family and everybody that he touched". He had a wonderful smile and such a Positive outlook. I many times wished I could be half the person that he was. I am deeply saddened! I will be praying for the family and if there is anything that I can do please email me. I am out of state and did not know of this until after the funeral. I'm sorry that I was not there.

“ I don't think I ever saw Edsel without a free and easy smile. We first met Edsel at the Edgewater pool when my oldest was only about 3, so that was about 5 years ago. I always remembered him calling the boys Peanut and Squirt, and would ask him for years how they were by using those names. Wish I could thank him for giving so much of himself to our neighborhood, school and community. He was a fine man, a rare soul and seemed to always have a smile and something funny to say. He is sadly missed by so many, but may you have some comfort in knowing how many lives he touched. He set such a wonderful example for everyone. Our deepest condolences.

“ I am extremely sad about the passing of Edsel. I first met him when he started working at the Exxon convenience store. Nearly every weekday morning I would stop in for coffee and looked forward to his cheerfulness, his yelled good morning to each person who entered the store. We would often discuss the news or sports, trade stories, and just generally joke around. The testimonies in this guest book attest to the type of person he was. I pray that God will give his family strength and courage.

We have heavy hearts in our house tonight. We are all so sad to hear about Edsel. We pray that God carries you as you journey through your grief. We hope you find comfort in all of the kind words that people write to you and through the memories that they share with you. Allen and I were so sorry to hear about Edsel's passing and our heart goes out to you, the boys and your family.

I will never forget after renting the first suite at Scenic, watching Edsel down on the floor laying tile and smiling through the whole time. I loved how his eyes lit up over funny things that happened, and your laugh.

He was a great man and he will be missed, but kept in our hearts. May God comfort you at this time.
