“ Meg, I am very sorry to hear about the graduation of Bill from this earth to heaven. It has been awhile since I last talked to Bill. However, I will never forget working with Bill and you at One Valley Bank. Bill and I go way back many years and remembering Bill with his humor and laughter that he always spread to those around him. I pray that our Lord will give you and Robby comfort during this sad time. May God Bless all of the family and friends of Mr. Willie McCoy.

“ I worked with Bill (as we called him) at BB&T Bank for four years before he retired. He was one of those special people who brightened the office with his jokes, messages and stories. He will always be truly missed.

Meg, my special thoughts go out to you.

I've always loved u 2. When we lived in WV & Dan was the youth pastor, I remember Willie always giving me a goofy smile from the stage. He was always such fun.

“ I met Bill McCoy when One Valley Bank purchased Security Bank in 1983. He was a joy to work with and helped me have a positive outlook to the change! Over the years following he and I worked together and enjoyed a friendship! He was a fine man and had a great sense of humor and strong faith! When I was coming to Charleston to Huntington he would call and say bring me some Jim's Spaghetti Sauce!! He was a great guy!! In my prayers.

Meg, I am so sorry to hear about the passing of Bill. It has been awhile since I talked to Bill. I always liked working with Bill at the bank in Charleston. We go way back with a lot of memories of Bill's humors and laughters. I pray for you and Robby for the comfort of our Lord during this sad time. God be with you and the family.

“ While I have many wonderful memories I could share, I will stick with the first thing that came to mind when I learned Willie had gone to meet the Lord.

Years ago, (while Meg and Willie still lived in Winston-Salem, NC), Willie led a men's chorus at church. When he told me the title of the piece they were working on (Singing With the Saints) he had an extra bit of smile in his voice. For those who knew Willie, the idea of an "extra" in his smile does make you wonder how it could be possible. When I think of Willie now, I know he's all tuned up and singing with THE great chorus of saints.

My husband and I miss our dear friend and our boys miss their Poppi.

My love to your entire family~
