“ *William was such a tiny guy entering our classroom yet he possessed a HUGE joy for learning! He loved experiencing activities with textures, lights, breezes, and most especially being placed in the crawler...he LOVED the crawler! Ms Betsy and I treasure the times we grew to know and love William and his family. We cheered him on and celebrated his accomplishments then, and we share in the sorrow of your loss now.*

“Knowing William made me a better teacher and a better person. It was obvious at his celebration of life that he had that effect on so many people. As Kevin put it, “William never said a word, but taught all of us so much.” So true! I am honored to have been William’s teacher.

My heart is breaking for you, Heidi and Kevin. No words are adequate, but I hope you feel the love of those around you. May memories of sweet William bring some peace.

*All my love,
Julie Hipple*

“ Words cannot express how sorry I am for the loss of William. He was a dear, sweet child and I was very blessed to have taught him at Riverside Elementary School. His loving spirit enriched my life every day. The picture posted during a community skills field trip to Suwanee Town Center says it all. With Much Love ,
