“ *I worked with Bob at Central Florida Regional Hospital in the late 80's. He was one of the finest men I've ever known. I was thinking of him recently so searched his name. I'm sad to learn he passed over 3 years ago. His love for Norma and his family is one of the many reasons I respected & admired him. I'm sad I did not keep in touch through the years. Bob was a true mentor and gave me invaluable guidance. At lunch with a group of us he would always ask if we had read an article he saw in the newspaper that morning. It was a standing chuckle when I would say "Bob you know I'm busy raising little girls and have no time for newspaper reading"! He always shared that he and Norma read the paper on the patio while having coffee every morning. Now that I'm older and have time to enjoy coffee on the patio I think of Bob and say "Bob I'm finally experiencing what you always spoke of and it's wonderful". Rest In Peace my ole friend as I know you and Norma and happy together again. You were one of a kind. 🙏🙏*

“ It was a joy to know Bob and Norma. In your grief may your memories bring you peace.

I will never forget you bringing lunch for the bridge group so we could celebrate their 70th wedding anniversary with them.
