“ I feel so selfish wanting you back, I can't help but replay all our memories in my head. When you left me I lost half of myself. There wasn't a day that went by without hearing your beautiful voice. or seeing that perfect smile. We may have not been the best couple but we were the best of friends that anyone could be. you became closer than my own family and was there through my worst! I don't know how I got so lucky to have the time I had with you. I will remember every event and holiday not only because you spent them with us but you made them special in any way you could. You helped me raise my daughter as your own without question and was amazing stepdad My world isn't the same and will never be! i look to the stars and pray I know you can see me and the tear that falls down my cheek. Thank you for allowing me to share our time together. You always believed in me and pushed me for greater things. The day you left was the day the world lost the most wonderful man i have to know. All i have left of you is the workout red shirt that was your favorite that i got you it smell just like you!!

This kingdom will bring us, no more sickness, pain, death, wars, food shortages, and tears. Revelations 21:3-5; Psalms 46:8,9; Psalms 72:16.
