“ Donna and family,
Words of sympathy I know fall so short of giving true comfort at this time; please know I hold you and family in prayers for strength and healing. I am so sorry for your loss.

“ I remember seeing Bill at the nursing home I work at on many Sundays. He was always friendly. I can tell he was a very kind, and generous man. Pete has always spoken very well of Bill (they had done ministry together a few times), of how Bill had helped him out on more than a couple of occasions (without Pete even asking). He never asked for anything in return, and gave to others out of the kindness of his heart. I know others have been blessed by Bill's generosity, and kindness.

“ I cannot tell you how deeply stunned and saddened I am to hear of Bill's passing. As I think of him, all of my memories are filled with thoughts of him being happy and caring, loving and serving, joyful and hard working. Always willing to learn and to teach others how to live better and get along better with others. I am better for having known him. And it was good to see God do great things in and through him. My prayers go up on your behalf. God took him quickly and mercifully; I believe they are both delighted to be in each other's presence.

“ Bill will be greatly missed by all who knew him. I never saw him when he didn't have a big smile on his face. He always made you feel loved and cared about. But he is in heaven now sharing that beautiful smile with Jesus. My prayers are with the family in this time of sorrow. But rest assure we will see him again someday.

“ I've know this wonderful man for 37 years when he married my best friend. So many many memories. He will be missed dearly.

Donna and girls, please remember this; Those we love don't go away, they walk beside us every day. Unseen, unheard, but always near, so loved, so missed, so very dear.

"Death leaves a heartache no one can heal, love leaves a memory no one can steal"

*My thoughts and prayers are with you,
