“ My deepest sorrow, for Mark, we know that he is ahead of us on the road of life, he also teaches us all, to live with a better quality of life, Mark you go ahead but you teach us many things to go forward and support all people suffering from this evil.

See you later Mark!

“ Dear Sissy I am so sorry to hear of Mark's passing. Growing up knowing Mark, he was as tough as a lighter-knot, but always looked out for others and cared for them more than himself. May God comfort each of you now and in the days to come.

“ Mark was always a man who listened deeply and acted with others' best interest in mind. He was admired by his fellow employees and our clients alike for keenly looking at our problems and needs to find solutions that worked with simplistic elegance - he understood his customers. Mark was kind, soft spoken and knowledgeable...he genuinely wanted to work with people, to make their work lives better. I'll always remember his hat, sunglasses, leather jacket and cowboy boots as he'd come and go from our Norcross office: someone so cool who was also so warm to everyone. Rest in peace, Mark.
