“ *Robert & Family,*

*Once again I have to express my condolences to you on your loss. Robert, I had forgotten but I may have known your dad, my having graduated from high school in Kingston. Even though he was a few years ahead of me I am sure our paths had crossed because I spent more time in Harriman than I did Kingston.*

*In any event, I pray that God will give your family strength during the days ahead and that you will all be reunited in the City That Was Built Four Square.*

“ *Emily, Robert and family: my sincere condolences on the loss of such a great man. Uncle Bill was such a fun loving and joyous man to be around.
