“ *My deepest condolences to the family. I hope the scripture at John 11:11, where the Bible likens death to a peaceful sleep, can provide some peace at this time.*

“ There is a great reunion in heaven as loved ones are entering almost on a daily basis. No one knows the day that Jesus will come get us. Have your heart ready for his return. He is worthy of all we do for him. Willie Nell was a great God fearing woman and would say the exact same thing. She loved everyone and everyone loved her. She has always been a constant in my families life. We spent many days playing in the yard with Paula and Dale, Elsie's kids, Lucille's kids, Betty's kids, Ruth's kids and many more at Granny Lizzie's house. Days at the lake, on picnics and then services and VBS days at Buford Church of God. These are precious memories for all of us. Only Willie could smile that precious lovely smile that was full of love and caring for each of us. You will be so missed by many and especially by this girl that has loved you all of her 59 years. Sending prayers to each one of the family which are many in number. Remember Willie loved you and Jesus loves you more. ?? ?? this is not goodbye it's see you later.

“ *Paula, Dale and family,  
I wish to extend my deepest sympathy for the loss of your dear mother. This is truly the most difficult loss that a mother's child can endure. Our mothers love, nurture and guide us her entire life and she will live in our hearts forever. May the love of family and friends give you strength and support during these difficult days. The precious memories will aid in your time of sorrow as well. Please know that I am thinking of you with love and sending up prayer for God's blessings.*
