“ *I am so sorry to learn this by looking on the internet. I came across pictures from when she worked at Bank of America and a sweet sweet note from her. She was my Boss from back in the day. I wanted to try and find her and I saw this and I am so sad. I thought I would get to see her again. She will be missed. She will forever be in my thoughts. You have my deepest condolences.*

Jo and I worked together at NCNB (now known as Bank Of America.) She was a wonderful manager and friend. I will remember Jo's laughter , grace, beauty and kind heart. She was truly a special woman who will always be remembered. The family will remain in my thoughts and prayers during this difficult time.
