“ *Your family has been in my prayers constantly since learning of this Monday! Wilson and I met through my sister, and although I loved his work, I loved the person he was even more! As an Interior Designer, it is my desire to only refer the best resources to my clients. Wilson was amazing! I easily referred him to my clients because of his integrity and character, in addition to his talent. I will miss him dearly! I'm trusting in God to carry all of us touched by Wilson in this difficult time. I will continue to pray for His strength, courage, and peace for your family.*
