

Wm. Kenneth McDaniel

March 7, 2012

BG (Ret.) Wm. Kenneth McDaniel, Sr. "Coach Mac"

Wm. Kenneth McDaniel, Sr., former principal of North Gwinnett High School and Brigadier General (Ret.), GA Army National Guard, died Wednesday, March 7 following a long illness. He was 80 years old. Mr. McDaniel joined the National Guard in 1949, and earned degrees at Reinhart College, Waleska, GA, and North Georgia College, Dahlonega, GA. In addition, he earned two graduate degrees in Education from the University of Georgia. He taught at Friendship School in Cumming before moving to Sugar Hill High School in Sugar Hill, GA, where he coached both the girls' and boys' basketball teams. When North Gwinnett High School opened in 1958, he became the school's first baseball coach and boys' basketball coach. Affectionately known by his students and the Sugar Hill/Suwannee community as "Coach Mac," he instilled in those he taught a sense of pride in themselves, their school and their community. He helped plot, plow and seed the first football field at North Gwinnett and spent tireless hours even after he left education on the sidelines at his son's football games working the chains. He continued to support North Gwinnett for many years; he was a regular fixture at ball games well into the 1990s. In 2001, the school named their new baseball field "McDaniel Field," one of his proudest honors. In 1973 he left his beloved North Gwinnett to accept a full time position with the National Guard in Atlanta, GA. Over the years he obtained many awards and decorations, which include the

Meritorious Service Medal, Armed Forces Reserve Medal, Army Reserve Components Achievement Medal, Army Service Ribbon and the Army National Guard Recruiter Badge. He was named commander of the 48th Infantry Brigade (Mechanized) in Macon, GA in 1983. He retired in 1991 as Brigadier General and Assistant Adjutant General of the Army National Guard of the State of Georgia.

Following retirement, Coach Mac continued to work for his community, helping bring the Veterans Memorial to the Gwinnett County Municipal Complex, and assisting in bringing George Pierce Park to Suwanee. He was also an active member of Suwanee First United Methodist Church, where he took great pride and enjoyment in teaching an adult Sunday School class. An abiding love and duty to family pervaded throughout his life. After working 10-hour days he would work until sundown alongside his late father on the family farm; if there was ground to be plowed or vegetables to be harvested, he could be found out in the field. In later years when their health failed, he helped his siblings care for his parents, and then his ailing brothers. Late in life, he took on the role he relished most, that of "Grandpa," helping care for his beloved grandson. He is preceded in death by his brothers James McDaniel and Clyde McDaniel, both of Cumming. He is survived by his loving wife, Myra Lance McDaniel, who rarely left his side throughout his long illness; his children, Ken and Connie McDaniel of Atlanta, Ann and John Foster of Lilburn, and Lynn McDaniel of Atlanta; one grandson, Anton Foster; sisters Sue Tribble (Jim) of Cumming, and Sara McDaniel of Cumming, several nieces and nephews and great-nieces and -nephews; and many friends. He also leaves behind countless former students of North Gwinnett High School, for whom he held great affection. Visitation will be held at Flanigan's Funeral Home, 4400 S. Lee Street, Buford, GA on Friday from 6:00 p.m. to 8:00 and Saturday from 2:00 p.m. to 4:00 p.m., and 6:00 p.m. to 8:00 p.m. Mr. McDaniel will lie in state on

Sunday, March 11, 2012 from 1:30 to 2:30 at Shadowbrook Baptist Church, 4187 Suwanee Dam Road, Suwanee, GA with the funeral service to follow. He will be laid to rest at Broadlawn Cemetery, Buford, GA with full military honors. The family requests that in lieu of flowers donations be made to Suwanee United Methodist Church, 603 Scales Road, Suwanee, GA 30024, or to the North Gwinnett Schools Scholarship Foundation, P.O. Box 2125, Suwanee, GA 30024.

“ *Coach Mac had an influence on me and others in my family over more than one generation, such as my first cousin, Howard Moulder, who stayed in touch with Coach Mac as recent as just last year and who signed the Guestbook above. My cousin recently told me that sadly Coach Mac has passed away. With Coach Mac's love of sports, a love like that of former Principal & Coach Bagwell, Coach Mac was one of the faculty members who touched the lives of many students. My life and the life of my sister, Ruth (class of 1965; deceased 2000) were touched as students and basketball players for North Gwinnett High. On a daily basis, Coach Mac exuded the strength of his convictions and his confidence. Coach Mac's smile brightened any day. In memory and not forgetting, I give deepest condolences, Martha Pass Murari, Class of 1967.*

“ A great loss for those who Knew the real man. "Coach Mac" was an insperation to many of us who didn't have the ability to further our education. He taught us to be self reliant,to pick a goal, and not give up until the goal has been realized. He prepared the foundation for many of us. God bless the Coach

“ Ken was a treasured friend and neighbor for over 4 decades. For much of that time he was also a beloved member of Suwanee First United Methodist Church, where he taught the senior adult class for many years. That class is now named in his honor. I never met a finer man, and I've never known a sweeter woman than Myra. Their children baby sat for our children, and we have treasured them as neighbors and friends for many years. When Bud remembers Ken, he will always think of Paul's words to Timothy in 2 Timothy 4:7 "I have fought the good fight. I have finished the race. I have kept the faith." Coach Mac certainly did all three as many will attest.

“ Myra and children, I was in one of Coach Mac's first classes at Sugar Hill High School and remember him as a wonderful teacher but also a wonderful person with such high standards and morals. Of course all the girls developed an instant crush. He was such a handsome gentleman but a teacher who genuinely cared for his students, not only in our academic progress but our personal development as adults also I do remember his telling us that he could have taken a job on the railroad sorting mail on trains, but he chose teaching instead. How fortunate for the many, many who were priviledged to have had him as a teacher. May God bless and strengthen you all in this your time of need.

“ Coach Mac was an amazing person who touched many lives form many different ways. I'm sure there are many good men out in the world today because of the direction Coach Mac steered them toward through sports. But he was also an outstanding teacher of American Government. “ BG McDaniel was one of the finest commanders I served with. I still fondly remember flying to Savannah on C-130's with him. My best memory of him was one of the Gallant Knight Exercises at Ft. Bragg. It was right after he had been promoted to BG and we drove to Ft Bragg in the same car. His new aide didn't go on this trip. When we went to get our quarters, they wouldn't issue him regular quarters because of his rank. We had to go to a different building for General and Flag Officers. He and I went in, but the officer handling room assignments would not deal with BG McDaniel. It turned out he was supposed to deal only with General's and Admirals aides. BG McDaniel had already gotten on me for opening his door but I persuaded him to let me act as his aide so he could get the key to his room. During the exercise, he kept popping in and out of the exercise area at all hours. He would go through security just like everyone else. By the time the MP's realized he was a BG, he was through the gate and in the 48 IB tent. It turned out this was causing a good bit of consternation because Central Command had set up special briefings for all the generals and admirals at the exercise and he was the only one who hadn't been briefed. They were even sending search teams to try to find him. We didn't learn this until the last day of the exercise when I went to find a real bathroom with porcelain fixtures in the main exercise building. When I went in, a Warrant Officer who was posted at the door saw my patch and asked if I knew where BG McDaniel was because they HAD to brief him. I went and got the general and as a result go to go through the briefing with him.

“ In a 40 year career with the Georgia National Guard I never met a single individual with more integrity than "General Mac". The man was incapable of telling a Soldier anything but the truth and they knew it. He was absolutely loved by his Soldiers and they would follow him without reservation. General Mac treated his Soldiers like he had earlier treated his students. He "coached" them and there are many young men and women out there today who are better for having known him. If you're lucky you will meet one man like General Mac in your lifetime. He will be missed but will live on in the lives of those he helped become better citizens and Soldiers.

“ Myra, Ken, Ann and Lynn;
Judy and I want to offer our deepest sympathies. General McDaniel was one of my heros. He was a terrific mentor for me, both in school and during my military career. He was a truly a great man, respected by all.
He touched so many lives, especially mine. I owe him a debt of gratitude that I'll never be able to repay. I only hope that I can live up to the example he set for me.
As you all go through following days, know that the General, Coach and friend will be remembered by thousands. Judy and I share your grief, and all of you will be lifed up in our prayers.

“ Myra, our hearts go out to you and your children in the loss of our dear "Coach Mac". I am sure I can speak for all his former students when I say that he was one of the most, if not the most, respected educators we've ever known. Coach Mac had a special talent of making each of us want to learn by making it fun to learn. I value the time spent with him in the classroom; he was absolutely amazing! His dedication to his country and to his community touched so many. Thank you for sharing him with us on so many levels: as an educator, as a patriot, and as our Military Adviser on our Board of Directors of the Gwinnett's Fallen Heroes Memorial Committee. His guidance in the latter was insurmountable and deeply appreciated.

Coach Mac left us quite a legacy, and we loved him very much. The words of Paul in II Corinthians 5:8 brings much comfort: ". . . To be absent from the body is to present with the Lord". May God bring each of you strength and comfort during this time.

“ Coach Mac was a truly loved and respected member in our community that I remember from my childhood in Sugar Hill when he was a Teacher/Asst. Principal, Coach, Principal and high ranking officer in the National Guard. In 1970 he was serving his first year as Principal at North Gwinnett High School, the year I graduated. As Principal he instilled a high degree of discipline with both the students and faculty and earned the utmost respect from all with his sense of fair play and decision making skills which are emulated today by myself and countless others whose lives he touched. He strived to transform the perceived image of NGHS from a "country-bumpkin" school to the premier and admired school it is today. As a student (and I as I understand it, even as a faculty member), a trip to his office was not desired, and he positioned his desk set high with the sofa we sat on in front that appeared to have the legs cut short, further enhancing the effect. But in every case, he listened to you and always considered all sides of the story before he made his decision. You always knew he could identify with you and he was not afraid to relate his own short-comings and failures as a teenager and young college student and always produced a positive, fair, solution. I will always remember his flat-topped crew cut and how he rubbed the top of his head as he laughed in a way that was his trademark. He kept up with former students and was quick to praise them and their achievements as they became adults in the community. He will surely be missed, and Coach Mac has left a legacy stretching for generations. He left the world a better and safer place in his love of God, family, country, school, and community. Our sincere sympathy goes out to his family. Rest in Peace Coach Mac.
