“ *Today is going to be a hard day kid. You will always be kid to me. I remember you in your diaper at Franks. Curling up in my lap, cuddling as close as you could get to me and going to sleep as I held you. You were such an amazing person. Your smile, your sense of humor but mostly your loving heart. Zach I will never understand this tragedy but what I do know is you opened your eyes and saw Jesus and your dad there with arms open. There will never be another like you. That is for sure! Your love for Bao and Sia was amazing. They will forever have that I know. You may be gone physically but you will never be forgotten. Gonna miss you kiddo*
