“ *Kathleen, we are sending our sincere condolences during this most difficult time, the passing of Mrs. Zelma. Mrs. Zelma was a longtime pillar of Buford and she was a strong, and outgoing lady. She spoke her mind and I liked that about her. Let us know if you need anything. With love Demingo and Deniece Williams*

Her journey's just began dont think of her as gone away her journey has just begun life holds many facets the earth is only one just think of her as resting from the sorrows and the tears, in a place of warmth and comfort where there are no days and years think how she must be wishing that we could know today how nothing but our sadness can really past away,and think of her as living in the heart of those she touched for nothing loved is ever lost and she was loved so much, your friends wanda jones and willie Ingram
