“ *My dearly beloved cousin, you were in my life for 75 years, 2 months and 23 days! I am remembering our last Hoboken visit that we celebrated Aunt Julia's bday and how we walked down memory lane with our after party celebration. Thought about how you locked Aunt Teresa out and she made sure you never did that again. I have so many fond memories of you, Dorothy Lee and me being us. Now, you and Dorothy Lee are together again! Love you forever, Elaine*
